Subject: Dimock - Bacteria analysis

Rupert,

I know we talked about this on Friday, but I wanted to recap it to ensure we were both on the same page.

You requested us to procure laboratory services for bacterial ID analysis. One potential lab which can provide this service is [REDACTED] Ex. 4 - CBI out of [REDACTED] Ex. 4 - CBI. They provided a quote of [REDACTED] Ex. 4 - CBI per sample to perform the bacterial ID analysis. If this is correct and you would like us to proceed with the laboratory procurement, please let me know.

Thanks,

Suddha Graves
